# Yanco Networking Evening

## *Impacts of the volatile global marketplace on regional Australia*

---

Network with your peers and meet our team

---

You are invited to attend a complimentary evening to network with your peers and enjoy some fine food and wine.

Our guest speaker, Neville Sawyer AM FAICD, will share his insights and thoughts on the regional business environment in 2012 and explore strategies to drive sustainable growth.

For small or family run businesses a dip in the global markets can have a real impact on regional business. Strategy and risk management plans are vital to survive and perhaps thrive during these times.

The challenge is how to incorporate this thinking into practical business outcomes that add value to an organisation.
